## **Information about the speaker / Informationen zum Referenten**

---

**Speaker / Referent** Dr. Marta Weber-Siwirska

**Vita / Vita** Dr. Marta Weber-Siwirska is the assistant professor at the Institute of Landscape Architecture at the Wrocław University of Environmental and Life Sciences. She is the president of the Polish Green Roof Association since 2016. In 2019, she obtained the state qualifications as the expert on green roofs and walls in the field of design, maintenance and plant selection. Her field of interest is related to the urban greenery with particular emphasis on green roofs and living walls. Marta Weber-Siwirska is the author of scientific and popular publications. She also gives expert opinions on greenery on roofs, walls and inside buildings. She is also the author of park and garden designs in Poland. As part of her professional career, she was a speaker at conferences and universities in the following countries: China, Hungary, India, Portugal, Spain, Ukraine, Uzbekistan, and Poland. She is a founding member of such national organizations as the Polish Green Roof Association and the Association of Polish Landscape Architects. She represents Poland in the European Federation of Green Roofs and Walls Associations (EFB), and a board member of the World Green Infrastructure Network (WGIN).
